

DJ JAY SCOTT

“We had Jay DJ our wedding May 5, 2018 and could not be happier about that choice! Everything for the ceremony was just right and perfectly timed. Jay listened to what we like and the dinner music was perfect! He rolled with our last minute changes without hesitation! We had the best dance party ever all night! It was non stop! Everyone the next day kept telling me we had the best DJ they’ve ever heard at a wedding and everyone was asking for his contact info! You were amazing! And the service through DJ Alpha was always quick... the team really went above and beyond! Don’t be surprised if you start getting requests for upcoming events in Sarnia!” - **Julie**

“DJ Jay Scott kept the dance floor busy all night and so many people complimented how great he was and how much fun they had! I would highly recommend this team!!” - **Alicia**

“Never once during the planning process, the days leading up to the wedding, and the wedding day itself did we have any concerns about the music. Any time I had a question, they would promptly get back to me with an answer. Any time I needed to make a change, Jay was able to make it happen. Although we weren’t able to meet with Jay in person before the wedding, our phone meeting left me feeling very comfortable and at ease about how the ceremony and reception music would play out. The day and night of the wedding, Jay did a fantastic job. He braved the cold weather at our outdoor ceremony and the ceremony music was perfect. The dance floor was filled with guests as the night went on, which is exactly what we had hoped for! We heard many great things from our guests about the music and how they enjoyed themselves. And it couldn’t have happened without them!” - **Sam**
